

Be Our Guest. Meet
CAROLINE FAYARD
for Lieutenant Governor

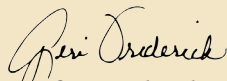

PAID FOR BY COMMITTEE TO ELECT CAROLINE FAYARD

Caroline Fayard offers an **intelligent** and **fresh** approach to the position of Lieutenant Governor of our state. We have recently had the opportunity to travel with Caroline on the campaign trail across Louisiana and spent some time getting to know her. We are impressed with her experience and credentials, her position on **reducing government waste, raising standards and increasing accountability** and **commitment to tourism as an expanding economic engine for Louisiana**.

We thought you might like to get to know her as well. We are **hosting a reception** for Caroline at the **Hadrian Building in New Iberia** (formerly known as the Iberia Bank Building) on Thursday, **October 28, from 6 p.m. - 8 p.m.**

After meeting Caroline, we hope you will **join us in supporting her** campaign to be the next leader for **Louisiana tourism** and **head of our state's cultural and recreational resources**.
